

4/28/24 Sacred Reading

The following reading is called, “All in Each” from the book, “Accidental Grace” By Rabbi Rami Shapiro

All in each:
The one in the many
The I in the Thou;
Each completing the other:
Day and night
Desert and sea
Fire and water
Earth and sky;
So simple, so subtle-
It escapes me time and again,
And yet for a moment I glimpse the thread
That weaves me with you.
For a moment I am not – we are.
And I bend the knee in silent wonder
And cry and laugh and embrace the world.”

And So It Is.
